

PROGRAM ARTICULATION AGREEMENT

between

Nursing Department, The College at Brockport, State University of New York

and

Nursing Department at Broome Community College (BCC)

I. INTRODUCTION AND OBJECTIVES

In compliance with the State University of New York's transfer policy the document herewith has been drafted between Broome Community College and The College at Brockport's Nursing Department Program. The intent is to facilitate graduates of Broome Community College's Nursing Program transferring to The College at Brockport and adopting the RN to BSN major.

II. TRANSFER TO SUNY COLLEGE AT BROCKPORT

The number of hours to be transferred and the allocation of such hours shall be determined by the following policies:

A. Total Transfer Credit

1. From two-year colleges.

- a. Students holding an approved associate degree from a regionally accredited college may transfer up to 64 credits. Such students will automatically be granted at least 60 credits and junior status. Some students may need more than 60 additional credits to complete the baccalaureate degree requirements depending on previous courses and the major and other academic programs selected at The College at Brockport.
- b. Students without an associate degree from a regionally accredited college may transfer up to 64 credits and be granted junior status.

2. From four-year colleges. A total of 90 credits may be accepted for transfer from any regionally accredited four-year college or university.

3. In addition to transfer credits brought in from coursework completed at Broome Community College, passing the NCLEX exam is considered the equivalent of a challenge exam for up to thirty two upper division nursing credits for an achievement of 90 total possible credits upon arrival in the RN to BSN program at The College at Brockport.
