

ARTICULATION AGREEMENT

Between

**SUNY Broome Community College, Dental Hygiene Department
PO Box 1017, Binghamton, New York 13902**

And

**Greater Southern Tier BOCES
1126 Bald Hill Road, Hornell, NY 14843**

Based on the mutual concern for providing programs in the Dental Hygiene curriculum that will build upon experience of students and eliminate unnecessary duplication of instruction, SUNY Broome Community College subscribes to the following memorandum of understanding:

We agree, subject to the following conditions, that SUNY Broome Community College will waive the requirements as outlined. Articulation consideration is based on the current Dental Assisting task list/and successful completion of the GST BOCES Dental Assisting Program.

Articulation Agreement Conditions:

- 1. Candidates must maintain an average of 85% or better within the curriculum at GST BOCES Dental Assisting Program.**
- 2. Candidates must include a letter of recommendation from their technical instructor and written documentation of the shadowing experience and dental projects with their application to SUNY Broome Community College Dental Hygiene Department.**
- 3. Interested students must meet the College's admissions requirements and matriculate in the Dental Hygiene Program.**
- 4. Candidates must review the requirements with their SUNY Broome Community College Student Advisor within five days of their start of the semester.
Students will attend daily half-day sessions in both their junior and senior years.**
- 5. Students must maintain a 2.5 GPA to maintain the agreement.**
- 6. This agreement will be reviewed and renewed every five (5) years with new signatures from the participating parties. This agreement is for the period June 30, 2018 through June 30, 2023.**

SUNY BROOME

Upon meeting these requirements, SUNY Broome Community College agrees to waive the following:

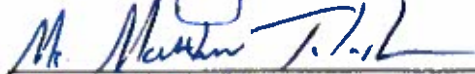

1. All published prerequisites for admission to the SUNY Broome Dental Hygiene program.
2. Shadowing Experience and the Service to Community Project required in DEN 213 W Community Dental Health.

This agreement recognizes individual strengths of both students and the technical program from which they have successfully graduated. The technical instructor is best aware of these strengths, and by working with the student to complete the recommendation and verification required indicating the students' successful completion of the requirements in order to receive the requested waiver.
