

Articulation Agreement
SUNY Broome Community College
Dental Hygiene A.A.S.
and
Nassau BOCES, Barry Tech.
Dental Assisting Program

Based on the mutual concern for providing programs in the Dental Hygiene curriculum that will build upon past experiences of students and eliminate unnecessary duplication of instruction, SUNY Broome Community College subscribes to the following memorandum of understanding:

It is agreed, subject to the following conditions, that SUNY Broome Community College will waive the requirements as outlined. Articulation consideration is based on the current Dental Assisting task list and successful completion of the Nassau BOCES Barry Tech Dental Assisting Program.

Nassau BOCES, Barry Tech. Dental Assisting Program Articulation Agreement
Conditions:

1. Candidates must maintain an average of 85% or better within the curriculum at Nassau BOCES Barry Tech Dental Assisting Programs.
2. Candidates must include a letter of recommendation from their technical instructor and written documentation of the shadowing experience and dental projects with their application to Broome Community College Dental Hygiene Department.
3. Interested students must meet the College's admissions requirements and matriculate in the Dental Hygiene Program.
4. Candidates must review the requirements with their SUNY Broome Community College Student Advisor within five days of their start of the semester.
5. Students will attend daily half-day sessions in both their junior and senior years.
6. Students must maintain a 2.5 GPA to maintain the agreement.

Upon meeting their requirements, SUNY Broome Community College agrees to waive the following:

1. The Shadowing Experience prior to entry into the dental hygiene program.
2. The Service to Community Project required in DEN 213W Community Dental Health.

This agreement is valid for 5 years from date signed and may be reviewed by both parties annually.
