All of the information given above is true and correct. I understand that Early College courses incur tuition charges that must be paid promptly. If I decide to change my education plans, I will notify SUNY Broome in writing. I realize that non-attendance in class will not relieve me of financial responsibility. To the best of my knowledge, I have met all prerequisites for enrollment in the courses above. I agree to abide by all College rules and regulations.

If students wish to transfer SUNY Broome credits back to the high school, they must obtain separate, written permission from their high school principal. This is done independently, and Early College does not become involved in this process.
