**6. UNITED STATES CITIZENSHIP OR ALTERNATE REQUIREMENTS.** Check the box that applies to you. You must check one of the three boxes. Proof of your status may be required.

**7-8. MARITAL STATUS.** Check the box that applies to you. If you were married as of December 31 st, you must report income information for your spouse in question 11. Enter the month and year you were married or, if separated/divorced or widowed, give earliest date on which you were separated/divorced or widowed. If you are other than SINGLE, enter your spouse's Social Security Number in item 15. (NOTE: Any separation must be by judicial decree or pursuant to an agreement which is filed by a court of competent jurisdiction.)

**9. CHECK "YES"** if you have graduated or will graduate from high school or if you received or will receive a General Education Development (GED) certificate. You may also check "Yes" if you received a passing score on a federally approved examination, as defined by the commissioner of the State Education Department, which demonstrates your ability to benefit from the education being offered. Otherwise, check "No."

**10. EMPLOYER REIMBURSEMENT.** Awards under this program are limited by the actual tuition paid by the student. In considering a student for an award, the institution must take into account other sources of financial aid available.

**11. ENTER YOUR INCOME IN THE BOXES PROVIDED.**

When completing questions eleven (11) applicant/spouse income and fourteen (14) parents' income you must include any state, local or federal pension and annuity income not reported on your NYS tax return. For purpose of completing this application the term "income" will be the sum of the pension and annuity income added to the NYS taxable income as reported on your state tax return. Enter the "income" on the appropriate line of either question 11 or 14. For the 2019-2020 academic year students will use prior-prior tax data (2017 tax information) to complete both their federal and New York State financial aid applications. Prior-prior year data will also be used when completing the APTS application for 2019-2020.

NOTE: If a state tax return was not filed because your only income was non-taxable pension income, you may reduce the amount of pension income reported on this application. You may deduct the standard deduction and personal exemption that you would have been allowed if you had other income of which to report on your NYS tax form. If your income was or would have been zero (0) subtract the standard deduction and personal exemptions from the pension income before completing questions eleven (11) applicant/spouse income and fourteen (14) parents' income.

**12. WERE YOU CLAIMED AS A TAX DEPENDENT?**

- Check YES and report your parents' income on page 2 of the application if you were claimed as a dependent on your parent's tax return.
- Check NO and sign the affirmation on page 2 of the application if you were not eligible to be claimed as a dependent by your parents. (If married, your spouse must also sign the application.) If you have checked NO but have dependents of your own other than your spouse, also check the second box as indicated.

NOTE: If you were not claimed as a tax dependent on your parent's tax return, you must still report your parents' income in question 14 if you could have been claimed but were not. The criteria for determining whether or not you could have been claimed are detailed in the instruction booklet for filing state and federal tax returns. Generally, you were eligible to be claimed as a dependent if:

- you were single, and
- your parent or parents provided more than one-half of your support in the previous year, and
- your gross income was less than \$3,700. If your income was more than \$3,700, you could still have been claimed if you were under 19 years of age or you were under 24 years of age and a full-time student.

**13. EXCLUSION OF PARENTS' INCOME.** Report in question 14 the income of the parent with whom you lived most last year or who had custody or would have had custody if you were a minor.

The income of a parent can be excluded in the cases of death, divorce or separation which occurred before December 31 st. You should check the appropriate box in question 13 and enter the date and amount of support received on your behalf. (NOTE: Any separation must be by judicial decree or pursuant to an agreement of separation which is filed by a court of competent jurisdiction.)

**14. PARENTS' INCOME.** The instructions for reporting income information are the same as appear in question 11. Report the following incomes: father's (stepfather's, adoptive father's) income and mother's (stepmother's, adoptive mother's) income. If you excluded the income of one parent in question 13, report the income of the other parent in question 14. In addition, enter Social Security Numbers as appropriate in the AFFIRMATION Section. For the 2019-2020 academic year students will use prior-prior tax data (2017 tax information) to complete both their federal and New York State financial aid applications. Prior-prior year data will also be used when completing the APTS application for 2019-2020.

**15. AFFIRMATION.** You MUST sign the application. In addition, if you are married, your spouse must sign and give his/her Social Security Number. If your parents were required to provide income information in question 14, they must sign and give their Social Security Numbers and the first three letters of their last name.

In signing this AFFIRMATION you are acknowledging that you have read, understood and accepted the conditions described in the AFFIRMATION appearing on the application form.

**DISCLOSURE OF SOCIAL SECURITY NUMBERS**
