To Re-record Greetings

- 1) Access Voicemail account – dial 5700 and enter security code when prompted.
- 2) Choose 3 for Phone Manager Functions.
- 3) Choose 1 for Personal Options.
- 4) Choose 3 to Record a Personal Greeting.
- 5) Choose 2 to record a Normal Greeting or 3 to record an Out Of Office Greeting.
- 6) The current greeting will play and allow you to discard (choice 4) or make a new recording (choice 2)
- 7) Follow the prompts to record, save and then activate the greeting.

Other Telephone Use Options

Call Pickup Lift the handset and dial ***3** to pick up a call ringing in your Call Pickup Group

Lift the handset and dial **#3 + extension number** of ringing phone outside your group

Note: some phones have a PICKUP button that can be used instead of these above commands.

Transfer a Call Press **Flash**, **Transfer**, or the hookswitch, then dial **extension number** to transfer to. You can stay on the line to announce to caller then when you hang up the two calls will be connected.

Transfer a Call directly to Voicemail

With the caller on the line, press **Flash**, **Transfer**, or the hookswitch, then dial **5700**, then the **extension number**, then press **#** and hang up.

After calling 5700 and logging on
