AGREEMENT FOR ARTICULATION OF ACADEMIC PROGRAMS

Between

CLARKSON UNIVERSITY AND BROOME COMMUNITY COLLEGE

The above institutions enter into a 2+2 agreement for the transfer of Broome Community College students into the School of Business at Clarkson University. Accreditation by AACSB ensures students and industry of the academic and professional integrity of Clarkson’s School of Business and its graduates. This agreement is designed to help students select courses in their academic program that will transfer effectively and will allow students to complete the Bachelor of Science degree at Clarkson, in a business discipline, in two additional years of study.
OBJECTIVES OF THIS AGREEMENT

1. To attract qualified students to Broome Community College and Clarkson University.

2. To promote the efficient transition of transfer students from BCC into one of Clarkson’s business programs (Business & Technology Management, e-Business, Financial Information & Analysis, Information Systems & Business Processes) with junior status and the possibility of baccalaureate graduation in four additional semesters of study.

3. To provide specific information and guidelines for transfer students.

4. To encourage academic coordination and cooperation, including curricular reviews, on-site visitations and joint academic advising for students attending BCC.

STIPULATIONS OF THIS AGREEMENT

1. This agreement will apply to BCC transfer students who have successfully completed (or on track to complete) the Associate of Science (A.S.) degree in Business Administration.

2. Upon application to Clarkson University, after three semesters, students with a minimum grade point average of 2.75 and two faculty recommendations will be accepted for admission.

3. Once students have completed their program in Business Administration at BCC, a final transfer credit evaluation will be completed at Clarkson. Students must have passed a minimum of 54 credit hours that are transferable in order to receive junior status at Clarkson.

4. Clarkson will only consider transfer of courses where the student scores a “C” or better.

5. It is recommended that students consult with the 2+2 Business Liaison at BCC, and the Director of Transfer Admission at Clarkson, to ensure proper course selection.

MUTUAL RESPONSIBILITIES

1. It is the responsibility of both institutions to inform the other if changes are made in the curriculum that may affect the transfer of students. This will be the responsibility of the two designated liaisons.
2. The BCC Business Liaison will be responsible for assisting the transfer applicant in compiling the required credentials for application, including the transfer application form, official transcripts, and recommendations.

3. Clarkson’s Director of Transfer Admission will forward a letter of acceptance, a credit evaluation (including both credits accepted and credits remaining to complete the B.S. degree), and a financial aid package if applicable, upon review of the completed application.

4. Transfer students applying under this agreement are eligible for the same financial aid and housing considerations as other entering students.

5. As requested, Clarkson University will provide general information on the progress, and if available, post-graduate plans of BCC students who transferred to Clarkson.

ASSISTANCE PROVISIONS

1. BCC will incorporate a summary of this agreement into official publications.

2. BCC and Clarkson University both agree to encourage qualified students to participate in this program by providing advising, information, and other assistance necessary to ensure that an easy transition from BCC to Clarkson will occur.

REVIEW/REVISION PROVISIONS

1. Review of the contents of implementation of this agreement will occur whenever requested by either BCC or Clarkson University through the designated liaisons. Substantive changes in the courses or program of either institution will evoke review processes. Revisions must be mutually agreed upon, with one-year notice prior to termination of the agreement.
