&

Delaware Chenango Madison Otsego (DCMO) BOCES

Security & Law Enforcement Program

6678 County Road 32, Norwich, NY 13815

The purpose of this articulation agreement is to recognize achievement and provide advanced standing to graduates of the DCMO BOCES Security & Law Enforcement (Criminal Justice) Program in the A.A.S Criminal Justice - Police (CJPO) or A.S. Criminal Justice - Corrections (CJCO) or A.S. Homeland Security (HMSC) program at SUNY Broome Community College.

Advanced placement with college credit will be granted for graduates of the DCMO BOCES Security & Law Enforcement Program who meet the criteria listed below and are admitted into the SUNY Broome CJPO or CJCO or HMSC program. Students interested in attending SUNY Broome shall participate in the normal admissions, placement testing, and advisement processes at the College.

The criteria and process for granting credit at SUNY Broome Community College is as follows:

1. The student must have completed the program(s) specified in this agreement with a grade of "80%" or better.
 - a. Students will receive 3 credits for CRJ 111 Introduction to Criminal Justice for the completion of the 1st year of the DCMO BOCES Security & Law Enforcement program.

 - c. Students will receive 3 credits for CRJ999 CRJ Elective for passing the NOCTI Exam with a score of 80% or higher. *This applies only to CJPO & CJCO majors – this does not apply to HMSC majors.
2. The student must meet the performance outcomes and competencies specified in the course outlines.

3. The student understands that if he/she is unable to make satisfactory progress in an advanced course at SUNY Broome in the area for which articulated credit is awarded, he/she may, at the discretion of the faculty, be required to complete a lower level course.
4. Students are responsible for contacting SUNY Broome Criminal Justice & Emergency Services Department Chair, after their official high school transcripts denoting BOCES courses have been received, to request a transfer credit evaluation. Upon granting credit, the CJES Chair will forward a request to the Registrar's to authorize a posting of a grade "T" for each course.
5. DCMO BOCES will notify SUNY Broome if there is any substantive change to the Security & Law Enforcement program as presented at the time of this agreement.
6. SUNY Broome will notify DCMO BOCES if one or both of the above courses are no longer offered and what replacement courses, if any, are available.
7. This agreement shall automatically renew each year unless a modification or cancelation is requested in writing by either SUNY Broome or DCMO BOCES.
8. Faculty at both institutions will be encouraged to share student concerns, instruction strategies, and curricular modifications to maximize student experience and learning.
