

**ARTICULATION AGREEMENT**

**between**

**SUNY Broome Community College and SUNY Polytechnic Institute**

This agreement provides graduates of SUNY Broome Community College's (Broome) Associate of Applied Science (A.A.S.) degree program with transfer paths to the Bachelor of Science (B.P.S.) degrees at the State University of New York Polytechnic Institute (SUNY Poly). Degree path is as follows: **A.A.S. degree Health Information Technology to the B.P.S. degree in Health Information Management.**

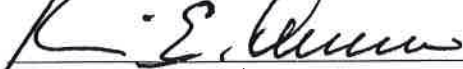

**Objectives of the Agreement:**

1. To guarantee admission of transfer students from Broome who satisfy the criteria described in this agreement.
2. To attract qualified students to Broome and SUNY Poly.
3. To provide specific information for transfer students who wish to pursue a baccalaureate degree.
4. To encourage academic coordination between Broome and SUNY Poly.

**Agreement:**

1. SUNY Poly agrees to accept Broome graduates from the A.A.S. degree stated above who meet the admissions criteria at their term of transfer for the B.P.S. degrees indicated at SUNY Poly, which is currently a 2.7 GPA.
2. Students who have followed the Advisement Plans attached to this agreement will receive the agreed upon hours of transfer credit towards the hours required for the B.P.S. degree. Credits remaining to complete the identified B.S. degrees will be available in partnership with Broome and SUNY Poly.
3. Students will maximize transfer credit by following the attached Advisement Plans. Any deviation from the suggested electives outlined in the plans may affect transfer credits and time to B.P.S. degree completion.
4. Both Broome and SUNY Poly agree to encourage qualified students to participate by providing information and assistance to prospective transfer students. Broome will list the agreement in its college catalog and website, and make information available to advisors and students.
5. Both colleges may publicize the articulation in the appropriate college publications, bulletins and college websites.
6. The terms of the articulation will remain in effect until August 2018 or amended by mutual agreement; Advisement Plans will be reviewed annually and appropriate curriculum changes made do not affect the terms of this agreement. This agreement is effective upon signature.
