

ARTICULATION AGREEMENT

The following program articulation agreement made between:

**The University of Limerick (UL),
Castletroy, Co. Limerick, Ireland.
And
SUNY Broome Community College
Binghamton, New York**

Preface

The program articulation agreement outlined hereafter are entered in good faith by both colleges. University of Limerick and SUNY Broome Community College undertake to co-operate to ensure suitably qualified students have access to Bachelor Degree opportunities

Additionally, it should be noted that:

All program articulation agreements are subject to review on a periodic basis by either institution or to a review, sought by both institutions and the outcome of such reviews will result in the review of the appropriate articulation agreement where necessary. Should either party desire to terminate this agreement, notification shall be given to the other party in writing not less than six (6) months prior to the proposed date of termination.

- Fulfilling the requirements of a program articulation agreement does not constitute a placement offer on that program. Interested students must submit an application and official college transcripts.
- All applicants must provide documentary evidence of having successfully achieved the specific requirements of a particular articulation agreement.
- Merits based scholarships are available to transfer students.
- The existence of a program description in any promotional material from University of Limerick does not constitute a legal undertaking that that program will be available the following academic year.
- All program articulation agreements are effective from the date indicated on the individual agreements and will remain effective for the period of the Memorandum of Understanding unless terminated as a result of a review described above.
