Students are responsible for reviewing their Degree Works in MyCollege to verify graduation requirements. Run and review your Degree Works at least once a semester. If you have questions, contact your CJES advisor.

**HLS Program Electives:** Choose any HLS, Criminal Justice (CRJ), or Fire Science (FRS) course not required in program. Or, choose EMT 110 Basic Emergency Medical Technician (8 credits – counts for 2 HLS electives), or BIT 207. For additional acceptable electives and/or special offerings, see your CJES advisor.

**Math:** Choose any "MAT" Gen Ed Mathematics approved course (BUS 115 not accepted in this program).

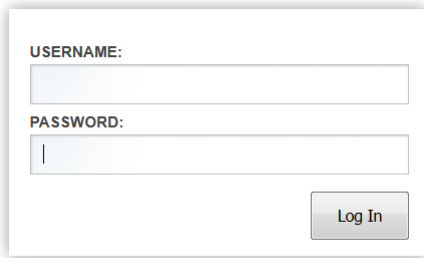

**Natural Lab Science:** Recommend CHM 121, CHM 125, EAS 123, ANT 113, or choose any Gen Ed Natural Sciences approved course (4 credits).

Students who prefer less than the recommended courses each semester will need to consider taking courses during the summer and winter semesters in order to complete the program in 2 years.
