

MAJOR SELECTION AND CAREER DECISION MAKING STARTS HERE

Focus2 is an online, interactive, self-guided career planning system. Identify a SUNY Broome major and future career options that best fit your values, skills, and abilities through a range of self-assessments.

Access Focus2 on your MyCollege Account in the launchpad on the left hand side of the page.

Review your Focus2 results with a SUNY Broome Career Coach. For a complete user guide, contact the Center for Career Development.

Focus2 FAQ:

- Focus2 mirrors the career planning process. We recommend starting with the top left assessment and working your way through the site.
- Focus2 takes 1-2 hours to complete, but doesn't need to be completed in one sitting.
- You can alter previous assessment responses as your experiences change throughout your career journey.
