Why Choose SUNY Broome Community College?

- 1. Our Commitment to International Education.** SUNY Broome Community College has a long history and strong commitment to international education with over 40 years of experience in helping international students achieve their educational and career goals.
- 2. Small Classes and Faculty Contact.** Small classroom settings allow students personal attention from faculty. Our diverse faculty members use the latest technology and instructional methods in their classrooms.
- 3. Ease of Transfer to U.S. Universities.** We offer university-parallel degree programs specifically designed to fulfill the first two years of university study in the United States. International students can transfer after completing their Associate Degree at SUNY Broome and earn a Bachelor's Degree in only two additional years of study.
- 4. Affordability.** International students also choose SUNY Broome Community College because of our affordable tuition and living expenses. When you compare our tuition to the high tuition and expenses at other U.S. colleges and universities, you will see that SUNY Broome offers a quality education at a reasonable cost.
- 5. Variety of Programs.** SUNY Broome Community college offers 60 degree and certificate programs in Liberal Arts, Business & Public Services, Health Sciences, and Science, Technology, Engineering & Mathematics (S.T.E.M.). For a complete listing of these programs, visit: www.sunybroome.edu.

English As A Second Language (ESL)

International students who need to improve their English language proficiency can enroll in our intensive English As A Second Language (ESL) classes. ESL courses are specifically designed to prepare students for university-level study and focus on building English language proficiency in the areas of grammar/composition, speech, listening, and reading. At SUNY Broome, international students are accepted directly into a degree program and enroll in the appropriate ESL course level based on their English language proficiency.
