Students are responsible for reviewing their Degree Works in MyCollege to verify graduation requirements. Run and review your Degree Works at least once a semester. If you have questions, contact your PED advisor.

PED Program Electives: Choose any PED, course(s) not required in the program.

***PED/other Elective:** PED 120 Or, choose BIT 184 Intro to Microsoft office, PHI 203 Philosophical Issues in American Education, SPK 110 Effective Speaking, or EDU 111 Foundations of American Education. Best option determined by transfer track and program or by advisement.

Students who prefer to take fewer than the recommended courses each semester will need to consider taking courses during the summer and winter semesters in order to complete the program in 2 years.

Notes:

If you are enrolled in a program of study at SUNY Broome, you are responsible for making sure you understand and meet all graduation requirements as stated on the college website and the General Catalog. You must meet all necessary course pre-requisites for your course registrations. If you register for courses that do not pertain to your program, your graduation may be delayed and there may be financial aid implications. You have discussed your course selection with your advisor and agree with what is listed above. You also understand that it is your responsibility to run and review your Degree Works on MyCollege to ensure you are taking courses you need for your program. It is your responsibility to complete the web registration process through MyCollege. The tuition bill must be paid by the due date or your course schedule will be removed due to nonpayment. Further, you acknowledge that your advisor has discussed the above information with you; you understand that it is your responsibility to contact your advisor with questions. **You are responsible for completing an Intent to Graduate Form for the semester/year of program completion.**
