

BINGHAMTON UNIVERSITY

STATE UNIVERSITY OF NEW YORK

Transfer Articulation Agreement Between School of Management, Binghamton University, State University of New York and Broome Community College, State University of New York

Introduction

This agreement is entered into by and between the School of Management, Binghamton University, State University of New York, (hereinafter identified as Binghamton University), and Broome Community College, State University of New York (hereinafter identified as SUNY Broome).

In an effort to better serve transfer students intending to pursue programs of study with School of Management, Binghamton University and SUNY Broome hereby enter into this articulation agreement allowing students to enroll in the School of Management through Binghamton University's 2+U guaranteed transfer admissions program.

Binghamton University recognizes transfer students from SUNY Broome who wish to pursue a baccalaureate degree and will complete an associate degree in:

- AS in Business Administration

Binghamton University's 2+U program is designed to:

- Facilitate the transition of graduates from the associate degree program at SUNY Broome to a baccalaureate degree program in the School of Management at Binghamton University.
- Attract qualified students to both SUNY Broome and Binghamton University.
- Provide information to ensure appropriate advisement for students from faculty and staff at SUNY Broome and Binghamton University.
- Encourage academic coordination between the faculty and advisors at the two institutions, including curricular reviews.
- Assess and exchange information on the specific outcomes of this articulation program with the goal of continual improvement

Qualifying Students

This agreement pertains to the transfer of "qualifying students", i.e. those students who:

1. Will successfully complete their associate degree in May (prior to the fall entry at Binghamton). Students who complete their associate degree in December will be considered on their individual merit and spaces available;
2. Have matriculated, enrolled, and are in good standing at SUNY Broome;
3. Have a minimum cumulative 3.7 GPA for guaranteed admissions. Candidates between a 3.30 and a 3.69 GPA will be considered based on space availability and their individual merits by the Binghamton Admissions Committee or offered an alternative major;
4. Complete prerequisite course with at least a "B" in three of the following four courses: Macroeconomics, Microeconomics, Statistics and Calculus; and
5. Complete an admissions application for Binghamton University by January 15 and submission of a three semester transcript inclusive of the most recent fall grades by February 1. Any applicant who applies or submits materials after the deadline will be considered on a space available basis. Application forms are available online at: binghamton.edu/admissions/apply/transfer/instructions.html

Given the competitive nature of admissions at Binghamton, guaranteed space is limited to 25 SUNY Broome participants annually for matriculation in the fall semester.

All students who participate in the Binghamton University 2+U program are expected to complete all coursework at SUNY Broome until meeting the academic requirements to successfully transfer into Binghamton University. The requirements for the bachelor's degree are those in effect at the time the student transfers, based on the catalog year in which they enter the School of Management at Binghamton University. Approved coursework are listed online at binghamton.edu/admissions/apply/transfer/coursework.html.

Binghamton University's School of Management requirements, general education requirements and detailed information are contained in appendices. The most up to date information for Binghamton University is listed in its bulletin.

Credits awarded through programs including Advanced Placement (AP), International Baccalaureate (IB), and the College Level Examination Program (CLEP) will also be considered for transfer based upon official proof of minimum required scores. More details about these type of equivalencies are available online at: binghamton.edu/harpur/advising/transfer-credit-evaluation/exam-credits.html

Each institution hereby agrees to notify the other in the event of a substantive changes in a course, program, or policy at its institution that would impact the agreement, including the courses and provisions herein.

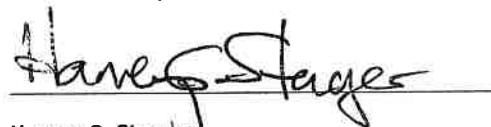

In April 2021, the School of Management, Binghamton University and SUNY Broome agree to enter into an articulation agreement as described above, via one through four of the Articles of Articulation and the Transfer Information/ Curriculum Planning Guide.

Evaluation of this agreement will occur every five (5) years. At the request of either party, a review of the contents, updates and/or implementation of the agreement will be conducted by the institutions. Binghamton University and/or SUNY Broome will give not less than one calendar year's written notice for a termination of the articulation agreement.

The undersigned agree to all the stipulations outlines above and in the attached documents.

Articles of Articulation

1. This document and the attached curriculum planning guides describe the requirements for the bachelor of science degree in the School of Management. The planning guides also provide information about approved Binghamton University transfer course equivalencies that should be taken in the first two years of study at SUNY Broome to fulfill University General Education and/or School of Management requirements.
2. Credits awarded through programs including Advanced Placement (AP), International Baccalaureate (IB), and the College Level Examination Program (CLEP) will also be considered for transfer based upon official proof of minimum required scores. More details about these type of equivalencies are available online at: binghamton.edu/harpur/advising/transfer-credit-evaluation/exam-credits.html
3. Each Institution hereby agrees to notify the other in event of substantive changes in a course, program, or policy at its institution that would have an impact on this agreement, including the courses and provisions herein. SUNY Broome shall notify the School of Management anytime course syllabi and/or contents are significantly altered, or if new courses should be reviewed for equivalency. Substantive changes to the degree program at Binghamton University will be reflected in the Bulletin and in the guide materials on the website, and due notification shall be made to SUNY Broome. All such notifications shall be made as early as reasonable.
4. Evaluation and renegotiation of this agreement will occur every five (5) years. At the request of either party, a review of the contents and/or implementation of the agreement will be conducted by the institutions. Binghamton University and/or SUNY Broome will give not less than one calendar year's written notice for a termination of the articulation agreement.
