

## **Articulation Agreement Between Hartwick College Department of Nursing and SUNY-Broome Community College Nursing Program**

### **Introduction**

Nursing at Hartwick College began as one of the original four Cadet Nurse Corps education programs sanctioned by New York State in 1942 and over time evolved to its current form that offers both pre-licensure and post-licensure (transfer) baccalaureate degree options, and, in the latter part of 2022, an MS/CAS in Nursing Education. Over the past 80 years, the Hartwick College nursing program has graduated more than 1400 nurses who work in 40 states and five foreign countries. Almost half remain in New York State providing healthcare in metropolitan areas and medically underserved communities.

Hartwick College Mission espouses “an engaged community that integrates a liberal arts education with experiential learning to inspire curiosity, critical thinking, personal courage, and an enduring passion for learning” (College Catalog, 2019, p. 1). Within this context, the Department of Nursing has established as its mission “to educate a highly qualified, self-regulating nurse who will possess the knowledge, skills, and attitudes necessary to meet the challenges of an ever-changing, increasingly interdependent, complex, and diverse world” (Nursing Faculty Manual, 2019, pp.9 – 11; Nursing Student Handbook, 2018, p. 4).

The Hartwick College Department of Nursing values and embraces diverse pathways leading toward professional licensure. It is within this context, and its longstanding history and commitment to responding to the healthcare needs within and across regions and global communities that SUNY Broome and Hartwick College Department of Nursing enter into this articulation agreement to support licensed nurses in obtaining a bachelor’s degree in nursing.

### **Terms of Agreement**

Hartwick College Department of Nursing offers admission into the RN Mobility Program for applicants meeting the stated admission requirements.

### **Admission Requirements**

To be eligible for admission, SUNY Broome Community College nursing graduates must have:

-  AAS or AS in nursing from an accredited institution
-  GPA 2.5 or greater on a 4.0 scale

- ✚ Current, unencumbered NYS license upon admission or by completion of the first course in the nursing curriculum
- ✚ Current CPR and Immunizations
- ✚ Cleared Criminal Background Check
- ✚ Two letters of recommendation from SUNY Broome Community College nursing faculty

## Hartwick College Transfer of Credit Guidelines

Credit for courses completed with a grade of "C" or higher, that are similar to those offered at Hartwick is usually granted. A maximum number of 90 transferable credits are accepted towards completion of the baccalaureate degree. **A minimum of 30 credits must be taken at Hartwick.** Advanced standing course credit cannot be applied toward the 30 required credits. A total of 120 credits (transfer included) are required for the BS in nursing degree from Hartwick College.

Credits taken at another college for transfer to Hartwick must be approved in order for the credits to be accepted. The transcripts and professional background of applicants will be reviewed individually by Nursing's Academic Standing Committee.

Noteworthy is that students who successfully complete the RN Mobility Program are eligible to apply for the MS in Nursing Education Program.

## BSN Curriculum - RN Mobility Requirements in Nursing:

### Required Foundation Courses for BSN\*
