

ARTICULATION AGREEMENT

BETWEEN

State University of New York at Delhi

SUNY Delhi

And

SUNY Broome

Effective Date 2023

SUNY Delhi agrees to articulate with SUNY Broome by providing opportunities for appropriately qualified students who graduate with an (AS) in Environmental Science to complete SUNY Delhi's Sustainability program. Students selected for matriculation in this program, upon satisfactory completion of the following requirements, can continue their studies through SUNY Delhi.

While admission to the SUNY Delhi is competitive, students satisfying the following requirements will be accepted with full junior status:

1. Graduation from an Associate Degree
2. Cumulative GPA of 2.0

This articulation is based on the following agreements:

- A. That the SUNY Delhi will provide financial aid support to matriculated students who qualify for financial aid.
- B. Interested students must submit an application for admission, along with official college transcripts as required by the Enrollment Services Office at the SUNY Delhi.
- C. SUNY Delhi advisors will assume responsibility for advising students who are covered by this agreement. SUNY Delhi curriculum fact sheets will be used as the mechanism for communicating degree requirements to students.
- D. Professor, Jack Tessier and Transfer Counselor, Mackenzie Tarpey will be the designated contact persons and coordinators of this agreement for SUNY Delhi.
- E. Dr. Kennie Leet will be the designated contact person for SUNY Broome. Both parties agree to act as agents responsible for implementing this agreement, identifying and

incorporating any changes into subsequent agreements, communicate changes to prospective faculty members, advisors, counselors, and others to whom the information is pertinent.

- F. Should either party desire to terminate this ARTICULATION AGREEMENT, notification shall be given to the other party in writing not less than six (6) months prior to the proposed date of termination.
- G. SUNY Delhi will supply SUNY Broome with promotional and informational literature, which will be used to assist students, faculty, and staff.
- H. Students should work with their advisor to ensure that they are taking the expected courses as part of their associate's degree work.

Reverse Transfer:

Whenever possible, SUNY Delhi will encourage students entering the University under this agreement, who have transferred from SUNY Broome without a degree, to attempt to complete the previous degree program. Reverse transfer allows the student to transfer any credits earned at SUNY Delhi back to SUNY Broome, by which the SUNY Delhi credits in combination with the credit earned at SUNY Broome are evaluated to determine if courses completed satisfy SUNY Broome degree requirements for awarding an Associate's degree.

Expiration Date:

This agreement will expire and will be re-evaluated for renewal in 2028.
