

**ARTICULATION AGREEMENT
BETWEEN SUNY CORTLAND
B.S.ED. PHYSICAL EDUCATION/B.S. SPORT STUDIES
AND
SUNY BROOME
A.S. SPORT STUDIES**

I. General State of Purpose:

This document establishes a formal transfer agreement between SUNY Broome Associate of Science (A.S.) Sport Studies Program as a transfer path to either SUNY Cortland's Bachelor of Science in Education (B.S.Ed.) Physical Education Program or Bachelor of Science (B.S.) Sport Studies Program.

II. Objectives:

- A. To create a seamless transfer process for students from SUNY Broome to SUNY Cortland;
- B. To attract highly qualified students to both colleges.

III. Eligibility/Admission Requirements:

- A. SUNY Broome students must complete an A.S. Degree in Sport Studies before entrance into the SUNY Cortland B.S.Ed. Physical Education or B.S. Sport Studies program;
- B. SUNY Broome students must meet the academic requirements for admission to SUNY Cortland, including specific course work as outlined in this proposal;
- C. We recommend that SUNY Broome students complete a minimum of seven of the ten SUNY General Education requirements;
- D. SUNY Broome students must complete the SUNY Cortland application process.

IV. Benefits/Advantages:

- A. Junior status for degree and financial aid purposes;
- B. Waiver of the Cortland General Education requirements (not SUNY GE requirements);
- C. Guidelines for completion of program at SUNY Cortland and direct contact for advisement to promote an easier transition for qualified students.

V. Terms of Agreement

- A. Admission requirement: A minimum overall grade point average of 2.5 is required for admission. It must be noted, however, that program admissions standards may be significantly higher;
- B. The maximum number of credits completed at SUNY Broome that can be applied toward the Cortland degree is 64;
- C. SUNY Broome students must provide a final transcript with their degree designated;
- D. This articulation agreement will be monitored on an annual basis by contact between department chairpersons;
- E. Each institution will be responsible for making this agreement viable and workable for interested students;
- F. Each institution may engage in publication and marketing of this agreement;
- G. SUNY Cortland and SUNY Broome agree that future changes in the SUNY Cortland Physical Education or Sport Studies program will create necessary commensurate changes in this agreement.
- H. Half of the credits in the major and concentration and a minimum of 30 hours of course work must be completed in residency at SUNY Cortland.
- I. The SUNY Broome transfer student will complete at least 4 semesters of course work at SUNY Cortland.

VI. Effective Date, Duration, Revisions

- A. The duration of this agreement is for three years beginning March 2024 through March 2027 with a re-evaluation each year before March 1 of each year.
- B. Minor changes to the programs will be carried out by the department chairs designated as contact persons or their successors. Major changes, that is, changes to the conditions for the agreement will be communicated to all parties, and the agreement will be amended to reflect these changes.
